**FOR IMMEDIATE RELEASE**  
**November 2007**

## Commencement of Operations

The Endoscopy Center at Bainbridge (ECB) is pleased to report the commencement of clinical operations on October 1, 2007, in its new Bainbridge, OH location. This new freestanding, state-of-the-art ambulatory procedure center will be housed within the newly expanded University Hospitals Bainbridge Health Center which is located at 8185 East Washington Street in Bainbridge Township. ECB is an anchor tenant of the Bainbridge Health Facility which continues to expand its wide variety of patient care services.

ECB is owned and operated by USHC Gastroenterologists, Ltd. The partners of USHC Gastroenterologists; Drs. Cameron, Geraci, Rozman and Koehler, have made a very substantial commitment toward expanding their practice, facilitating continuity of care for patients of University Hospitals (UH), and providing the highest quality of care and con-

venience to these patients by developing this new facility.

*R. Bruce Cameron, MD*

R. Bruce Cameron, MD stated, "ECB represents a cooperative effort between UH and its physicians to affect a geographic expansion of medical specialist services by joining forces to provide enhanced access and other unique healthcare programs and opportunities." Dr. Cameron added, "UH is committed to facilitating the provision of high quality healthcare services to Bainbridge and the surrounding area, and we are excited and pleased to open the doors of ECB with the full support of the health system."

Dr. Koehler stated, "EBC will be developed and managed with the assistance of Physicians Endoscopy, a nationally recognized leader in the area of endoscopic procedure centers. PE has sup-

ported our efforts and provided guidance to us throughout this entire process. The PE team has worked with us and with UHHS to ensure that this project will be among the best of the best."

*Barry Tanner*

Barry Tanner, President of Physicians Endoscopy stated, "Every project is unique, and this opportunity to work with the physicians of USHC Gastroenterologists and UH has been extremely rewarding. We are completely committed to helping the physicians deliver the best possible facility services to their patients. The cooperation and support of the entire UH administration with the physicians and our organization has been overwhelmingly positive."

Physicians Endoscopy is a nationally recognized development and management partner for single-specialty endoscopic ASCs.

The company currently operates 14 partnered facilities and will open five additional facilities in 2008.
